

WDA Junior Sports Program

May 31, 2008

The GSDCA-WDA Junior Sports Program is designed for young people 8 – 18 years of age to compete in Schutzhund Trials, Conformation Shows, Breed Surveys, and attend seminars, while earning points and awards for their efforts.

The Junior participants need to have an Event Verification Form filled out with the proper information on the event, then have the Event Secretary sign the form, verifying that they participated in the event. The form should be given back to the Junior participants, and they are responsible for mailing the form to the Junior Sport Program Chairperson. Please do not collect the forms and forward to the WDA Office. The Junior participants can only earn awards and points if their Event Verification Forms are sent to the Junior Sports Program Chairperson.

The Event Verification Forms are available on the WDA website. You may desire to download and print several of these forms to have available for any Junior participants at your event.

Schutzhund Trial Information:

The Junior participant must have received a passing score.

Conformation Show Information:

The class the Junior participant handled in should be written in the proper place on the form, along with the placing, and the number of other dogs that competed in the class.

Breed Survey Information:

There is a place on the Event Verification Form for both handling in the stand for exam portion of the Breed Survey, and handling in the protection work phase of the Breed Survey.

The Junior Sports Program Chairperson will verify all results. Please sign the Event Verification Forms and hand them back to the Junior participant.

Thank You!
